Make That Call Now! - Paul Lucas 2000-11-06

Pot-bellied Joe Kagan, the buffoonish manager of a Cheapmart discount store, unwinds from his late shifts with some television which at that time of night means infomercials. Seduced by claims of amazing products and easy payments, Joe soon finds himself deep in debt. Sammy Thieu a Vietnamese immigrant turned infomercial pitchman who surrounds himself with scantily-clad women and other accoutrements of wealth entices viewers of his infomercials with stories of the fast fortunes to be made in real estate.

Desperate, Joe registers for Sammys seminar leading him on a series of ludicrous misadventures. Interspersed throughout the novel are descriptions of the ridiculous and outrageous infomercials Joe and others watch on TV, such as The Psychic Support

Hotline, in which a washed-out 70s pop singer assures viewers, All you need is a credit card and a willing suspension of disbelief! and WhiffTrim, in which sniffing a piece of plastic is touted as a legitimate strategy for weight reduction. *Make That Call Now!* is the laugh-out-loud story of one misfits journey through the tacky world of TV infomercials.

The Pig Book - Citizens Against Government Waste
2013-09-17

The federal government wastes your tax dollars worse than a drunken sailor on shore leave. The 1984 Grace Commission uncovered that the Department

of Defense spent \$640 for a toilet seat and \$436 for a hammer. Twenty years later things weren't much better. In 2004, Congress spent a record-breaking \$22.9 billion dollars of your money on 10,656 of their pork-barrel projects. The war on terror has a lot to do with the record \$413 billion in deficit spending, but it's also the result of pork over the last 18 years the likes of: - \$50 million for an indoor rain forest in Iowa - \$102 million to study screwworms which were long ago eradicated from American soil - \$273,000 to combat goth culture in Missouri - \$2.2 million to renovate the North Pole (Lucky for Santa!) - \$50,000 for a tattoo removal program in California - \$1 million for ornamental fish research Funny in some instances and jaw-droppingly stupid and wasteful in others, The Pig Book proves one thing about Capitol Hill: pork is king! Day Of Wrath - Iris Collier

2015-05-07

Nicholas Peverell has returned to his manor house in Sussex after visiting King Henry VIII at court to find that his loyal steward has been murdered - strangled and thrown from the manor house tower. Nicholas immediately decides to launch an investigation. He also has to deal with the unrest among the

monks at his priory - King Henry is trying to reform the church and the plight of the monks is as yet unsure - could they somehow be involved? Nicholas' problems are further exacerbated when beautiful and talented local girl Jane Warrener tells him she has overheard talk of a conspiracy against the king. It is her notion that his steward's murder had something to do with it. Perhaps he overheard the conspirators and they killed him off before he could betray their plans. . . If this is the case, and with King Henry's untimely announcement of his intention to visit Peverell Manor on his way to Portsmouth in just a few days, Nicholas has no time to lose if he is to hunt down the murderous traitors and save the life of his king.
