An Introduction to the Old Testament - Johann Jahn 1827

How to Read the Bible - Steven L McKenzie 2005-09-15

McKenzie argues that to comprehend the Bible we must grasp the intentions of the biblical authors themselves--what sort of texts they thought they were writing and how they would have been understood by their intended audience. In short, we must recognize the genres to which these texts belong. McKenzie examines several genres that are typically misunderstood, offering careful readings of specific texts to show how the confusion arises, and how knowing the genre produces a correct reading. The book of Jonah, for example, offers many clues that it is meant as a humorous satire, not a straight-faced historical account of a man

who was swallowed by a fish. Likewise, McKenzie explains that the very names "Adam" and "Eve" tell us that these are not historical characters, but figures who symbolize human origins ("Adam" means man , "Eve" is related to the word for life ). Similarly, the authors of apocalyptic texts--including the Book of Revelation--were writing allegories of events that were happening in their own time. Not for a moment could they imagine that centuries afterwards, readers would be poring over their works for clues to the date of the Second Coming of Christ, or when and how the world would end. For anyone who takes reading the Bible seriously and who wants to get it right, this book will be both heartening and enlightening.

[Annual Report of the American Bible Society](#) - American Bible Society 1821

Together with a list of auxiliary and cooperating societies, their officers, and other data.

**Reading Old English Biblical Poetry** - Janet Schrunk Ericksen 2020-11-03

Reading Old English Biblical Poetry considers the Junius 11 manuscript, the only surviving illustrated book of Old English poetry, in terms of its earliest readers and their multiple strategies of reading and making meaning. Junius 11 begins with the Creation story and ends with the final vanquishing of Satan by Jesus. The study is framed by particular attention to the materiality of the manuscript and how that might have informed its early reception, and it broadens considerations of reading beyond those of the manuscript's compiler and possible patron. As a book, Junius 11 reflects a rich and varied culture of reading that existed in and beyond houses of God in England in the tenth and eleventh centuries, and it points to readers

who had enough experience to select and find wisdom, narrative pleasure, and a diversity of other things within this or any book's contents.

**What the Bible Really Says?** - Thomas A. Howe 2009-01-01

The study of the End Times has been a popular topic for many years, and there are many different positions that are proposed on how to understand the unfolding of God's program. The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer. It sometimes seems like everyone wants to get in on the action, and anyone who has an audience can (and has) put together his thoughts and made his opinions known through the printed page.

Anyone can publish his views regardless of the level of competency in the original languages, his level of hermeneutic ability, or his understanding of history or theology. In his book *The Apocalypse Code*, Hank Hanegraaff declares that his goal is to put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end-time models that may well be foreign to the text. It would be extremely helpful for someone to equip readers to be able to make their way through the maze of views. *What the Bible Really Says?* is a point-by-point analysis of the arguments of Hank Hanegraaff concerning end-times prophecy. This book is not an effort to promote one eschatological perspective over another. Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers, or whether he has simply added his voice and his opinions to the cacophony of

claims and counterclaims.

*Real Estate Record and Builders' Guide* - 1871

*Besides the Bible* - Dan Gibson 2012-01-04

How do you decide what to read? Dan Gibson, Jordan Green and John Pattison have created this tool to make your choices easier. Besides the Bible is a guide to the wide array of great books that they believe every Christian should read—the ones that matter to the church and the world.

Vols. 1-64 include extracts from correspondence.

*Clothing Sacred Scriptures* - David Ganz  
2018-12-03

According to a longstanding interpretation, book religions are agents of textuality and logocentrism. This volume inverts the traditional perspective: its focus is on the strong dependency between scripture and aesthetics, holy books and material artworks, sacred texts and ritual performances. The contributions, written by a group of international specialists in Western, Byzantine, Islamic and Jewish Art, are committed to a comparative and transcultural approach. The authors reflect upon the different strategies of »clothing« sacred texts with precious materials and elaborate forms. They show how the pretypographic cultures of the Middle Ages used book ornaments as media for

building a close relation between the divine words and their human audience. By exploring how art shapes the religious practice of books, and how the religious use of books shapes the evolution of artistic practices this book contributes to a new understanding of the deep nexus between sacred scripture and art.

Summary Account of the Proceedings of the British & Foreign Bible Society - British and Foreign Bible Society 1808

**A Complete Concordance to the American Standard Version of the Holy Bible ...** - Marshall Custiss Hazard 1922

*L'eau, enjeux politiques et théologiques, de Sumer à la Bible* - Stéphanie Anthonioz  
2009-10-23

This book investigates a corpus of royal inscriptions and literary texts stretching over several millennia from the early days of Sumer to the Biblical period, in order to determine the ways in which the concept of water was used.

**The Self-sufficiency Bible** - Simon Dawson  
2021-02-09

A fully revised and updated edition of the self-sufficiency classic. Packed with practical information and expert advice on everything from gardening to cooking, and from health and

beauty to raising livestock, this is the indispensable guide to living more sustainably, whether you live in a city apartment block or on a rural smallholding. "A treasure-trove of brilliant ideas and easy-to-follow step-by-step instructions" - Adam Henson, BBC One's Countryfile In our current era of pandemic and environmental crisis, self-sufficiency is a means of taking control of our lives and safeguarding for the future - and this new, fully updated edition of the sustainability classic will help every householder do just that. You'll find all the practical information and expert guidance you need on every aspect of self-sufficiency, from gardening and baking through health, beauty and cleaning to foraging and livestock, whatever your needs, circumstances and resources. This means that the gardening chapter, for example, is appropriate both for people with an urban back yard or a more substantial plot of land. Written in a down-to-earth, engaging and often amusing style, and charmingly illustrated with

line drawings, the book will appeal to anyone who wants to be more creative, resourceful and independent, who wants to rediscover their inner hunter-gatherer, to single people as much as to large families, and to parents looking to equip their children with basic life skills.

**Hebrew Bible, Old Testament: From the Renaissance to the Enlightenment**
