Terrorist Groups - Michael Burgan 2010

Terrorism is everywhere. From Peru to Palestine and from Spain to Sri Lanka, terrorist groups use violence to create fear in order to achieve their goals. Terrorist organizations are usually organized around religious, political, social, or other ideological causes. Although all terrorism is criminal under international law, governments have been responsible for terrorist activity, and some terrorist campaigns have led to the founding of modern nations.

Tamils and the Haunting of Justice - Andrew C. Willford 2014-11-30

In 2006 dejected members of the Bukit Jalil Estate community faced eviction from their homes in Kuala Lumpur where they had lived for

generations. City officials classified plantation residents as squatters and, unaware of years of toil, attachment to the land, and past official promises, questioned any right they might have to stay, wondering “How can there be a plantation in Kuala Lumpur?” This story epitomizes the dilemma faced by Malaysian Tamils in recent years as they confront the moment when the plantation system where they have lived and worked for generations finally collapses. Foreign workers from Indonesia and Bangladesh have been brought in to replace Tamil workers to cut labor costs. As the new migrant workers do not bring their whole families with them, the community structures—schools, temples, churches, community halls, recreational fields—need no longer be sustained, allowing more land to be converted to mechanized palm oil production or lucrative housing developments. In short, the old, long-term community-based model of rubber plantation production introduced by British and French companies in colonial Malaya has been replaced by a model based upon migrant labor, mechanization, and a gradual contraction of the plantation economy. Tamils find themselves increasingly resentful of the fact that lands that were developed and populated by their ancestors are now claimed by Malays as their own; and that the land use patterns in these new townships, are increasingly hostile to the most symbolic vestiges of the Tamil and Hindu presence, the temples. In addition to

issues pertaining to land, legal cases surrounding religious conversion have exacerbated a sense of insecurity among Tamil Hindus. Based on seventeen months of ethnographic fieldwork, this compelling book is about much more than the fast-approaching end to a way of life. Tamils and the Haunting of Justice addresses critical issues in the study of race and ethnicity. It is a study of how notions of justice, as imagined by an aggrieved minority, complicate legal demarcations of ethnic difference in post colonial states. Through its ethnographic breadth, it demonstrates which strategies, as enacted by local communities in conjunction with NGOs and legal advisors/activists, have been most “successful” in navigating the legal and political system of ethnic entitlement and compensation. It shows how, through a variety of strategies, Tamils try to access justice beyond the law—sometimes by using the law, and sometimes by turning to religious symbols and rituals in the murky space between law and justice. The book will thus appeal not only to scholars of Southeast Asia and the Indian diaspora, but also to ethnic studies and development scholars and those interested in postcolonial nationalism.

The 48 Laws Of Power - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great

figures from the past who have wielded - or been victimised by - power. _____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

They Came They Conquered - Madhan 2019-12

Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British - details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

The Interior Landscape: Classical Tamil Love Poems - A. K. Ramanujan 2014-01-14

In *The Interior Landscape* the great Indian poet and translator A.K. Ramanujan has drawn on a celebrated anthology of classical Tamil poetry to compose an unforgettable sequence of love poems. The story unfolds in a series of dramatic exchanges between a shifting array of characters—the lovers, relatives, friends, rivals, and sundry passersby—and as it does we are conducted through five phases of love, from first meeting, anxiety, infidelity and separation to final union, each associated with a lush interior landscape of its own. Immersed in the glories of the natural world, the poems evoke the whole spectrum of love while also capturing the gossip and wisecracking of those who look on from outside.

Tamil Culture - A. Kiruṭṭinan 2000

At a time the Tamils have forgotten their glorious past, the heights of their achievements in political, social, cultural and civilization fields, when they have lost even their sense of self respect, this book apart from being a treasure of culture, I consider, is one that awakens them, reminds them and rekindles their interest to know about their past and implores them to create a greater future. I fervently hope that the vision of the author is realized and all our wishes fulfilled. I am sure that the sincere and enlightened work serve the purpose and the society. It has website effect scanning every minutes detail of the Tamil culture. We are sure when you come out you would be a scholar to be sought after. Hardbound

Sound Alignments - Michael K. Bourdaghs 2021-05-10

In *Sound Alignments*, a transnational group of scholars explores the myriad forms of popular music that circulated across Asia during the Cold War. Challenging the conventional alignments and periodizations of

Western cultural histories of the Cold War, they trace the routes of popular music, examining how it took on new meanings and significance as it traveled across Asia, from India to Indonesia, Hong Kong to South Korea, China to Japan. From studies of how popular musical styles from the Americas and Europe were adapted to meet local exigencies to how socialist-bloc and nonaligned Cold War organizations facilitated the circulation of popular music throughout the region, the contributors outline how music forged and challenged alliances, revolutions, and countercultures. They also show how the Cold War's legacy shapes contemporary culture, particularly in the ways 1990s and 2000s J-pop and K-pop are rooted in American attempts to foster economic exchange in East Asia in the 1960s. Throughout, *Sound Alignments* demonstrates that the experiences of the Cold War in Asia were as diverse and dynamic as the music heard and performed in it. Contributors: Marié Abe, Michael K. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Periya Puranam: A Tamil Classic On the Great Saiva Saints of South India - Swami Sekkizhaar 2015-07-11

The Tamil Devotional Classic Periya Puranam or "The Great Epic" by Sekkizhaar is the saga of the sixty three Nayanmars or servitors of the Lord who not only lived for Him but adored Him in delightfully distinct ways. Lord Shiva whom these Saiva-Siddhantins worshipped is not a sectarian deity but the supreme creator preserver and destroyer of the Universe who comes in human form from time to time and 'plays' with these servitors when their devotion gets incandescent. These Nayanmars are of both the sexes and of all ages and range from tribal hunters to emperors of vast domains. Caste and community wealth and status do not count with them even as they do not with the Lord. The trials and tribulations they cheerfully undergo and the incredible sacrifices they make for the Lord's sake take our breadth away. To pursue their stories is to inhale the air of sanctity and blessedness.

Tamil Folk Music as Dalit Liberation Theology - Zoe C. Sherinian 2014-01-06

Zoe C. Sherinian shows how Christian Dalits (once known as untouchables or outcastes) in southern India have employed music to protest social oppression and as a vehicle of liberation. Her focus is on the life and theology of a charismatic composer and leader, Reverend J. Theophilus Appavoo, who drew on Tamil folk music to create a distinctive form of indigenized Christian music. Appavoo composed songs and liturgy infused with messages linking Christian theology with critiques of social inequality. Sherinian traces the history of Christian music in India and introduces us to a community of Tamil Dalit Christian villagers, seminary students, activists, and theologians who have been inspired by Appavoo's music to work for social justice. Multimedia components available online include video and audio recordings of musical performances, religious services, and community rituals.
