**Varieties of Questions in English**

**Conversation** - Elizabeth G. Weber 1993-01-01

This book examines relations which hold between morphosyntactic form and communicative function in discourse by examining form-function correlations of noninterrogative questions in ordinary English conversation. So-called nontypical declarative and nonclausal questions are identified functionally. The role morphosyntax plays in the production and interpretation of these forms as doing questioning is then considered. Speakers are shown to use specific patterns of morphosyntactic marking to enable recipients to interpret noninterrogatives as functional questions. Explanations for morphosyntactic patterns found in the data are stated in terms of discourse use.

English Conversation Practice - Grant Taylor 1967-01-01

English Conversation Practice - Spencer D H 1997-12-01

*Conversation* - Scott Thornbury 2006-10-26

This book provides a comprehensive account of conversation in English and its implications for the ELT classroom. After a general overview and definition of conversation it provides the reader with a systematic description of conversational English, from the vocabulary of conversation, to

grammar, discourse and genre. This is followed by an informed account of the development of conversation in both first and second language acquisition. It then describes a range of methodological approaches, procedures and techniques for teaching conversation in English. On this basis, an integrated approach to the teaching of conversation is provided, along with practical classroom applications.

**Exercises in English Conversation** - Robert James Dixon 1987-01

ESL Conversation Dialogues Scripts 1-10

Volume 1: English Phrasal Verbs I - Jason Hogan 2018-04-10

The ebook - ESL Conversation Dialogues Scripts 1-10. For Tutors Teaching Mature Upper Intermediate to Advanced ESL Students in Private English Language Lessons. Volume 1: English Phrasal Verbs I - has been developed to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition, as well as pair or group work in the adult classroom. This volume includes the dialogues: Dialogue 01: A Visit to the Hospital Dialogue 02: Holidays and Business Dialogue 03: Backpackers and Homestay Hostels Dialogue 04: Buying a House Dialogue 05: Buying a Car Dialogue 06: Getting a Savings Account at the Bank Dialogue 07: After High School Dialogue 08: Touring Dialogue 09: Kitchen Party Dialogue 10: Markets and More These have been reformatted for use on a variety of platforms, so that users can practice reading the dialogues out loud, and discuss the language used with their tutor or with each other. These eBooks just contain dialogues. It is up to the tutor or teacher to

create their own lessons around these conversation dialogues. As a private conversation and pronunciation tutor for over 16 years, I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are now 10 volumes in the series with more on the way. Volume 1 contains general dialogues with a number of common phrasal verbs thrown in to challenge the student. While upper intermediate level and above is recommended, these dialogues can also be used to challenge upper beginners into improving their reading and pronunciation skills. Approximately 4000 words

*Uncomfortable Conversations with a Black Man* - Emmanuel Acho 2020-11-10

INSTANT NEW YORK TIMES BESTSELLER An urgent primer on race and racism, from the host of the viral hit video series "Uncomfortable Conversations with a Black Man" "You cannot fix a problem you do not know you have." So begins Emmanuel Acho in his essential guide to the truths Americans need to know to address the systemic racism that has recently electrified protests in all fifty states. "There is a fix," Acho says. "But in order to access it, we're going to have to have some uncomfortable conversations." In *Uncomfortable Conversations With a Black Man*, Acho takes on all the questions, large and small, insensitive and taboo, many white Americans are afraid to ask—yet which all Americans need the answers to, now more than ever. With the same open-hearted generosity that has made his video series a phenomenon, Acho explains the vital core of such fraught concepts as white privilege, cultural appropriation, and "reverse racism." In his own words, he provides a space of compassion and understanding in a discussion that can lack both. He asks only for the reader's curiosity—but along the way, he will galvanize all of us to join the antiracist fight.

tongue more fluently Over 15,000 words of dialogue - an unparalleled resource that will immerse you in English, at a level you can understand. You'll learn real spoken English without getting lost or overwhelmed Real, daily spoken English throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends more easily. Situational dialogues from typical daily circumstances, so you can prepare yourself to survive realistic English encounters, in shops, cafés, and on the street, making meeting people second nature Conversations that are carefully written to be accessible for intermediate learners (B1-B2 on the CEFR), so you can learn from real, spoken conversations, without having to go through the rollercoaster of difficult conversations with strangers Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost The story is set in England and includes expressions that are typical in British English. However, since the conversations use mostly "neutral" English, you'll have plenty to learn, whether you're learning the English of America, England, or Australia. Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Intermediate English gives you an experience in real English that you won't find anywhere else. You'll be better prepared for using English in the real world, speak with more confidence, and take a giant leap towards fluency in English! SCROLL UP AND GRAB YOUR COPY NOW

Savage Inequalities - Jonathan Kozol 2012-07-24 NEW YORK TIMES BESTSELLER • "An impassioned book, laced with anger and indignation, about how our public education system scorns so many of our children."—The New York Times Book Review In 1988, Jonathan Kozol set off to spend time with children in the American public education system. For two

years, he visited schools in neighborhoods across the country, from Illinois to Washington, D.C., and from New York to San Antonio. He spoke with teachers, principals, superintendents, and, most important, children. What he found was devastating. Not only were schools for rich and poor blatantly unequal, the gulf between the two extremes was widening—and it has widened since. The urban schools he visited were overcrowded and understaffed, and lacked the basic elements of learning—including books and, all too often, classrooms for the students. In *Savage Inequalities*, Kozol delivers a searing examination of the extremes of wealth and poverty and calls into question the reality of equal opportunity in our nation's schools. Praise for *Savage Inequalities* "I was unprepared for the horror and shame I felt. . . . *Savage Inequalities* is a savage indictment. . . . Everyone should read this important book."—Robert Wilson, *USA Today* "Kozol has written a book that must be read by anyone interested in education."—Elizabeth Duff, *Philadelphia Inquirer* "The forces of equity have now been joined by a powerful voice. . . . Kozol has written a searing exposé of the extremes of wealth and poverty in America's school system and the blighting effect on poor children, especially those in cities."—Emily Mitchell, *Time* "Easily the most passionate, and certain to be the most passionately debated, book about American education in several years . . . A classic American muckraker with an eloquent prose style, Kozol offers . . . an old-fashioned brand of moral outrage that will affect every reader whose heart has not yet turned to stone."—*Entertainment Weekly*
