*The Music Road, Bk 2: A Journey in Music Reading* - Constance Starr 1996-02-01

The Music Road: A Journey in Music Reading presents an exciting, effective way for beginning music readers to experience the joy of reading and playing music at the keyboard. In the three volumes of The Music Road, a comfortable sequence of steps is presented. Each unit is divided into three parts: "Stop! Look! Learn!," in which new material for learning is presented with follow-up written assignments, "Stop! Look! Play!," in which new material is used in simple playing experiences, short mini-melodies, and one measure musical examples, and "Destination," which uses folk songs and original music to offer many, many opportunities to "see and play" what has been presented in the learning part of the unit. Each unit has a corresponding "Stop! Listen!" appendix in which the ear is trained to "hear" what has been "seen" on the printed page. Listening to "high - low," keyboard location, quarter, half, whole notes, 3/4 - 4/4 time, and intervals are a few of the beginning focuses in Book 1. Relating the eye and ear in this way is excellent sensory reinforcement and makes sense, too, of music theory for the young

student. An additional appendix contains a teacher's guide, and general and specific practice points to help the teacher and parent use The Music Road successfully. The slow progression throughout the books ensures the mastery of concepts, and the extensive use of those concepts at the keyboard gives the student a wonderful sense of accomplishment. The philosophical and psychological basis for the Music Road books is a natural extension of the Suzuki approach, yet teachers with traditional approaches find the books equally successful with their students.

The Day You Begin - Jacqueline Woodson 2018-08-28

A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show Bookmarks: Celebrating Black Voices! National Book Award winner Jacqueline Woodson and two-time Pura Belpré

Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes-and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as *El Día En Que Descubres Quién Eres!*)
