Brother XII - John Oliphant 2006

"As Mercury dwelleth near the Sun, so I abide in the heart of my Lord. My feet run upon His errands and by my mouth are His words spoken." Thus wrote Brother XII in the preface to "The Three Truths," describing his role as the divinely-ordained agent of an ancient mystical Brotherhood known as the Great White Lodge. As the agent of this mysterious fraternity, Edward Arthur Wilson, aka Brother XII, a slight, soft-spoken former English sea-captain, embarked on a dramatic and sensational career that established him as one of the most fascinating figures in the history of modern religion. "Brother XII: The Strange Odyssey of a 20th-century Prophet" chronicles the life and exploits of the enigmatic figure who established a utopian community in southern British

Columbia in the late 1920s and early 1930s. The tales of gold, sex and black magic associated with Brother XII and his flamboyant mistress, a whip-wielding devotee of ritual magic with the pulp-fiction name of Madame Z, have gripped people's imaginations for years, and the story has been described as a "Gone with The Wind" of the occult, an evocative mixture of the sacred and profane. Though other religious figures may be better known, for pure drama, nothing rivals the story of Brother XII. Though Brother XII largely fell through the cracks of history, his amazing chronicle is being rediscovered, for it rings with contemporary relevance; not only was he a prototypical cult leader, he was a genuine mystic and seer, while also writing on political issues in a way that eerily foreshadows the world today. Brother XII was both a forerunner of the New Age and one of the few spiritual teachers of his time to give expression to the geopolitical and conspiratorial concerns that dominate the cultural debate today. Both mystic and

mountebank, seer and charlatan, he was a complex, contradictory individual, the ultimate "man of mystery." The story of Brother XII features an intriguing cast of characters who find themselves irresistibly drawn to the power of this classic rogue messiah, a spiritual anti-hero possessed of a Nietzschean will to power. After the destruction of his colony, Brother XII and Madame Z fled with nearly half-a-million dollars in gold, outwitting the authorities and escaping justice. Brother XII's fate is uncertain, for his death in Switzerland remains a matter of speculation. For all that is known about him, he's still an elusive figure, leaving his metaphysical teachings and the provocative legend that has grown up around him as his legacy. Praise for "Brother XII: The Strange Odyssey of a 20th-century Prophet " "I found myself totally absorbed...a book that will become a classic of its kind. I know of no more fascinating or better researched study of a 'false messiah.'" From the Foreword by Colin Wilson

"Sex, sadism, black magic and mystery upon mystery. It sounds like the recipe for a Stephen King potboiler, and author John Oliphant has made the most of it. The difference is that Oliphant's Brother XII is a true story...a marvelous web of suspense and intrigue...riveting stuff." "The Vancouver Sun" ""Brother XII" is a fascinating read " William Gibson "A tremendously exciting story of the religious mania in extreme form. Brother XII is a type who recurs throughout human history, and Oliphant provides not only a great horror tale, but a warning as to how we can recognize such types and be armed against them. I heartily recommend this book." Robert Anton Wilson "Sharing the brilliance of an L. Ron Hubbard, the destructiveness of a Jim Jones, and the hypnotic hold of a Rasputin, E. A. Wilson ranks as one of the most intriguing, mysterious, and infamously charismatic and prophetic cult leaders to grace the annals of North American history...a well-documented...thoroughly

fascinating book." "Theosophical History "

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad."

Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

A Century of Wisdom - Caroline Stoessinger
2012-03-20

The subject of the Academy Award-winning documentary *The Lady in Number 6: Music Saved My Life*, Alice Herz-Sommer was the world's oldest Holocaust survivor when she died on February 23, 2014. *A Century of Wisdom* is the true story of her life—an inspiring story of resilience and the power of optimism. Before her death at 110, the pianist Alice Herz-Sommer was an eyewitness to the entire last century and the first decade of this one. She had seen it all, surviving the Theresienstadt concentration camp, attending the trial of Adolf Eichmann in Jerusalem, and along the way coming into contact with some of the most fascinating historical figures of our time. As a child in Prague, she spent weekends and holidays in the company of Franz Kafka (whom she knew as "Uncle Franz"), and Gustav Mahler, Sigmund Freud, and Rainer Maria Rilke were friendly with her mother. When Alice moved to Israel

after the war, Golda Meir attended her house concerts, as did Arthur Rubinstein, Leonard Bernstein, and Isaac Stern. Until the end of her life Alice, who lived in London, practiced piano for hours every day. Despite her imprisonment in Theresienstadt and the murders of her mother, husband, and friends by the Nazis, and much later the premature death of her son, Alice was victorious in her ability to live a life without bitterness. She credited music as the key to her survival, as well as her ability to acknowledge the humanity in each person, even her enemies. *A Century of Wisdom* is the remarkable and inspiring story of one woman's lifelong determination—in the face of some of the worst evils known to man—to find goodness in life. It is a testament to the bonds of friendship, the power of music, and the importance of leading a life of material simplicity, intellectual curiosity, and never-ending optimism. Praise for *A Century of Wisdom* “An instruction manual for a life well lived.”—The Wall Street Journal “As if her 108

years of experience alone were not enough to coax you, there is the overarching fact that draws people to Herz-Sommer's story: She survived the Theresienstadt concentration camp and is believed to be the oldest living Holocaust survivor.”—The Washington Post “I have rarely read a Holocaust survivor's memoir as enriching and meaningful. Get Caroline Stoessinger's book, *A Century of Wisdom*, telling Alice Herz-Sommer's tale of her struggles and triumphs. You will feel rewarded.”—Elie Wiesel “*A Century of Wisdom* is a stately and elegant book about an artist who found deliverance in her passion for music. Caroline Stoessinger writes with a special purity, as though she were arranging pearls on a string of silk.”—Pat Conroy “As one of millions who fell in love on YouTube with Alice Herz-Sommer, a 108-year-old Holocaust survivor who plays the piano and greets each day with no hint of bitterness, I'm grateful to Caroline Stoessinger for writing a book that explains this mystery. You will be inspired by the story of

Alice Herz-Sommer, who lives to teach us.”—Gloria Steinem “I walked on the cobblestones in Prague for thirty years wondering who might have walked on them before me: Kafka, Freud, Mahler. It feels like a miracle to have encountered, in Caroline Stoessinger’s wonderful book, Alice Herz-Sommer, who walked with them all—with a heart full of music.”—Peter Sis “A Century of Wisdom is universal and will enrich readers for generations to come.”—Itzhak Perlman
A Quaker Book Of Wisdom - Robert Lawrence Smith 2013-05-21

"The most valuable aspect of religion," writes Robert Lawrence Smith, "is that it provides us with a framework for living. I have always felt that the beauty and power of Quakerism is that it exhorts us to live more simply, more truthfully, more charitably." Taking his inspiration from the teaching of the first Quaker, George Fox, and from his own nine generations of Quaker forebears, Smith speaks to all of us who are

seeking a way to make our lives simpler, more meaningful, and more useful. Beginning with the Quaker belief that "There is that of God in every person," Smith explores the ways in which we can harness the inner light of God that dwells in each of us to guide the personal choices and challenges we face every day. How to live and speak truthfully. How to listen for, trust, and act on our conscience. How to make our work an expression of the best that is in us. Using vivid examples from his own life, Smith writes eloquently of Quaker Meeting, his decision to fight in World War II, and later to oppose the Vietnam War. From his work as an educator and headmaster to his role as a husband and father, Smith quietly convinces that the lofty ideals of Quakerism offer all of us practical tools for leading a more meaningful life. His book culminates with a moving letter to his grandchildren which imparts ten lessons for "letting your life speak."

Walt Dreamers Me - Joseph Patrick Cosgrove
2013-05

"I cannot imagine living in a world without Walt Disney." Joe Cosgrove Walt Disney's life long journey comes to life as breaking news headlines that entertain and engage dreamers of all ages. This novel storytelling is based on Joe's firsthand experience as well as from friends and mentors who worked closely with Walt during the 1930's through the 1960's. Readers will enter the circle of nearness of Walt Disney's life journey as he transform's and revolutionizes movie cartoons into a powerful new art form. Walt becomes the Founding Father of modern movie animation with the release of his first full length feature film, Snow White. This was the prelude of Walt's bigger dream to create something totally new under the sun. Driven by endless curiosity and courage, Walt Disney's dreams gave birth to the greatest real estate developments and tourist attractions in history with Disneyland and Walt Disney World. Today Walt's impossible dream is still growing. For all those people who helped make his dream come true with the opening of

Disneyland in 1955, Walt created a special place called Club 33. Joe Cosgrove was there the day the Club opened in 1967. Club 33 was a secluded hideaway in the Happiest Place on earth for many years until the LA Times wrote a feature titled: "The Most Exclusive Club in the World." Joe reveals some fascinating Club 33 stories during its early secret years. This is also the story of other extraordinary dreamers, visionaries, leaders, innovators and heroes whose lives one day serendipitously intersected with Joe Cosgrove. These ordinary people who did extraordinary things include Joshua Meador, Harrison "Buzz" Price, Bob Hope, Ronald Reagan, Steve Allen, Charles E. Fuller and Billy Graham who are just some of the personalities in this wide reaching story of notable people who help change our world for the better. WALT DREAMERS ME celebrates the American heritage of individual liberty with headline making news of exceptional individuals motivated by the highest possible standards of

excellence who created innovations that greatly changed our imagination, our culture and our world for the better. These true life adventure headline stories are filled with heroes, mentors, tricksters, sidekicks, scoundrels and scallywags just like those we read about in the newspaper every day. These very universal caricatures are seen in the classic stories in the Bible. Walt Disney brought these caricatures to life in such films as Snow White, Pinocchio and Cinderella. It is our intention that our readers accompany each person headlined in order to relate to each of them in a new powerful and personal way. [Back to Venice](#) - Michael Grant 2011-05-26 Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a

painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay-which is sometimes zany and sometimes frightening-he meets his hero, Michelangelo, who teaches him the true meaning of art.

Dead Souls (Annotated) - Nikolai Gogol
2020-12-09

Dead Souls (Russian: Мёртвые души, Mjórtvyje dúshi) is a novel by Nikolai Gogol, first published in 1842, and widely regarded as an exemplar of 19th-century Russian literature. The novel chronicles the travels and adventures of Pavel Ivanovich Chichikov (Russian: Павел Иванович Чичиков) and the people whom he encounters. These people are typical of the Russian middle-class of the time. Gogol himself saw it as an "epic poem in prose", and within the book as a

"novel in verse". Despite supposedly completing the trilogy's second part, Gogol destroyed it shortly before his death. Although the novel ends in mid-sentence (like Sterne's *Sentimental Journey*), it is usually regarded as complete in the extant form.

Distant Valor - C. X. Moreau 2012-07-01

Out of the crucible of war has come a long list of best-selling, award-winning, and long-remembered novels: *The Red Badge Of Courage*, *All Quiet on the Western Front*, *The Caine Mutiny*, *Fields of Fire* and *The Thirteenth Valley*. But none so far has ever captured the power and drama of the United States Marine Corps's ill-fated mission to end the war for Lebanon, which ended in the barracks bombing that killed almost three hundred Marines. For Sergeant David Griffin, a "peace-time" Marine, Beirut was the chance to prove himself capable to the generation of Marines who had been bloodied in the Vietnam War. For Corporal Steven Downs, Beirut was a struggle to separate the civilian from the soldier, his distrust of the politicians' decisions from the military mission. For all of the

Marines serving in Lebanon, it was another war in a foreign country where the enemy could be anywhere or anyone. Faced with Griffin's court-martial for engaging the enemy against orders, these two young men find themselves questioning their faith in themselves, their commanders, and eventually that which above all else they must have faith in--the Corps. With the insight that only a Marine Corps veteran could have, C. X. Moreau portrays the men who fought and died in Beirut with skill and ability that bring home to the reader the true meaning of *Semper Fi*. "Affecting . . . A haunting slice of military life that unsparingly catalogues the risks, rewards, pain and joys of casting one's lot with warriors."--Kirkus Reviews "Moreau uses the building block of authentic detail to craft a solid take about a little-known, undeclared war. His debut should attract readers seeking to understand how the U.S. military is waging peace in the Middle East."--Publishers Weekly "Outstanding! A classic in, yet above and

beyond, the war genre. Thank you, C. X. Moreau, for an enlightening work."--John M. Del Vecchio, New York Times best-selling author of *The Thirteenth Valley* and *For The Sake Of All Living Things* "With his first book, *Distant Valor*, C. X. Moreau, joins the company of top rank military novelists. He shows the reader what it really means to be a Marine."--W.E.B. Griffin, New York Times best-selling author of "The Corps" and "The Brotherhood of War" series "A clear picture of Marines in action and the politicization that often causes bungled operations. The picture is harsh; but it depicts the anguish and humanity of the Marines who so gallantly bear the brunt of carrying the flag to foreign shores. This first novel rings with the authenticity that only a serving Marine could supply."--The Florida Times-Union "A novel of character, as are all great war novels...cuts to the heart of the military experience in our time . . ."--San Jose Mercury News "An absolutely authentic portrayal of the Marines who endured

the mud and the blood in Beirut. As captain of a ship offshore, I watched it; C. X. Moreau obviously lived it, up close and personal."--P.T. Deutermann, best-selling author of *Scorpion in the Sea* "C. X. Moreau has seen the military future first-hand in Beirut. In an age of fateful involvements in the wars of others, the terrible dilemmas described so ably in *Distant Valor* are too often the essence of duty for today's Marines and soldiers. This book is as authentic as they come, heartrending and true, exciting and brutally tragic. It is a worthy monument to heroes cast aside."--Ralph Peters, New York Times best-selling author of *The War In 2020* **A Century of Wisdom** - Caroline Stoessinger 2012-03-20

Caroline Stoessinger writes with a special purity, as though she were arranging pearls on a string of silk."—Pat Conroy "As one of millions who fell in love on YouTube with Alice Herz-Sommer, a 108-year-old Holocaust survivor who plays the piano and greets each day with no hint of bitterness, I'm grateful to Caroline Stoessinger for writing a book that explains this mystery. You will be inspired by the story of Alice Herz-Sommer, who lives to teach us."—Gloria Steinem "I walked on the cobblestones in Prague for thirty years wondering who might have walked on them before me: Kafka, Freud, Mahler. It feels like a miracle to have encountered, in Caroline Stoessinger's wonderful book, Alice Herz-Sommer, who walked with them all—with a

heart full of music."—Peter Sis "A Century of Wisdom is universal and will enrich readers for generations to come."—Itzhak Perlman

Where Life Meets Love ... - W. Stewart
2013-08

There are few people who can tell you a story about seeing miraculous fire coming out of a rose bush in the front yard or a sea parting down the middle or tiptoeing across a stormy lake. But, as you journey through each day, you have those experiences with people that leave you gazing past the moment. The storyteller invites you into life stories of a moment's encounter with people who were never famous but always real. These are Delilah, Herb, Sue, Carl, and others that helped shape a life and belief. When you become a part of the story, just maybe, you too will feel a little nudge toward something more. The nudge may be felt by the teenager looking forward or the adult looking around. And for the one looking back, they will recall the nudge and maybe just smile.

Max Opposite - Meldon J. Wright 2012-02-01
Max Opposite
What do you do when you can't control what you do,
When your brain behaves in mysterious ways,
When you're only 13,
And discover your life is a lie?
What do you do,
When your search for the truth,
Plunges you into a nightmare?
"Max has it all: action, adventure, international settings, a touch of romance and a sci-fi tilt. Great read for all ages." - A. H. (Auckland, New Zealand)
"Rachel, do you dream?"
"Of course I do. Everyone does."
"Do you always have the same dream?"
"Ah, no, that'd be pretty weird."
"I thought so."
"So what's this about, Max?"
"I have the same dream every single night. Always have, for as long as I can remember."
"That's definitely not normal. Even recurring dreams don't stay forever."
"Fast moving with a clever plot. Max kept me completely involved. Thoroughly enjoyable...waiting for the next episode." - J. G. (Sydney, Australia)
"Max makes Harry Potter look wimpy! Great characters and an absolutely

fantastic story.” - P. L. (South Carolina, U.S.A.)
